Meet the Team

I have been a Realtor since 1998 and a lifelong resident of the Triad area of NC. I am fortunate to work with my husband, Alan and my daughter, Kayla who grew up tagging along to showings and open houses with me. The other team members are like family to me - we all enjoy working together! When I am not working I am spending time with our children and grandchildren, or on a weekend trip in our RV. I love working with buyers and sellers to help them achieve their dreams. We know all the neighborhoods and cool local spots our area has to offer. It is a great place to live! We would love the opportunity to help you!

I have been helping people fulfill their dreams since 2005 as a broker in this market, with hundreds of homes sold. I have lived in Winston-Salem my whole life, and know it like the back of my hand. I love this area and have chosen to rear my four kids here. I have been through the first-time homebuyer process, the move-up home, and the investment aspect of real estate myself. On a personal note, I am married to a wonderful woman and we have three boys and a girl who I love to come home to after a long day. When I am not selling houses you may find me at a Wake Forest sporting event, or on the golf course.
